Dear Friend,

Kidcelerate is continuing to touch the lives of more and more children each year. Located in the "Farmhouse" that formerly housed Bethany House Academy, Kidcelerate's Learning Hub is BOOMING! More children than ever are attending the afterschool program - we've had up to 28 kiddos come to The Learning Hub on a single evening to receive homework help and eat a warm, healthy meal.

Next door to The Learning Hub in the former church building, Pittsburgh Public School District continues to operate an Early Child Center (ECC), serving Northview Heights youngest residents. Forty children ages 3-5 attend the ECC for 6 hours per day, Monday through Friday.

Kids Meal Network, Kidcelerate's child nutrition program, operated at 19 different sites and served over 18,000 meals during the summer of 2023!

Kidcelerate's Reading and Mentoring program offers literacy support to elementary students. We're reading in seven schools with plans to add two schools before the end of the school year. This brings us back to pre-pandemic levels! We are incredibly thankful to see our volunteers return to service!
