Dear Friend,

Kidcelerate is continuing to touch the lives of more and more children each year. This year, your support is more important than ever. Following a devastating fire at our beloved farmhouse in Northview Heights in February 2025, we have launched "**The Phoenix Project**" to build a modern, state-of-the-art facility. While we plan for this new permanent anchor, our Learning Hub hasn't skipped a beat, moving operations into temporary spaces to ensure every child continues to receive tutoring and emotional support.

Next door to the site of the new facility, the Pittsburgh Public School District continues to operate an Early Childhood Center out of the church building at The Bridge, serving up to 40 children aged 4-5.

Kids Meal Network, Kidcelerate's summer child nutrition program, sponsored 20 different sites in 2025, and served a total of 22,381 meals! Additionally, Food2Go bags were distributed at 12 of our sites to ensure children had nourishment for the weekends.

Kidcelerate's Reading, Math & Mentoring program also continues to flourish, providing consistent, individual, academic support to elementary students across three counties.

## JOIN US TO SUPPORT KIDCELERATE ON MONDAY, SEPTEMBER 14, 2026 AT DIAMOND RUN GOLF CLUB

Those participating in the event will enjoy a round of golf, scramble format, at one of Pittsburgh's most beautiful courses featuring breathtaking views, rolling fairways, and challenging holes. A light breakfast will be available during registration, and lunch will be provided on the course. We will wrap up the day with dinner and a brief awards program.

We hope you will join us for a great day at Diamond Run Gold Club. Thank you in advance for supporting this worthy cause.

Warmly,
